All pricing outlined in this guide reflects current rates and is subject to change without prior notice for Canadian Marketing Association members and participants. Final pricing will be confirmed at the time of booking and may vary based on specific training requirements and organizational membership status. Prices are listed in CAD \$.

Minimal customization: Your team will receive a private training session on a topic area the CMA has existing content in. There will be 2-5 tailored exercises based on your team's objectives and experience levels.

Comprehensive customization: Your team will receive a private training session that includes a mix of brand-new content and existing CMA content. All exercises will be tailored to your team's objectives and experience levels.

Complete customization: Your team will receive a private training session with entirely new content currently not available in any other CMA offerings. All exercises, examples, and lessons will be tailored to your team's objectives and experience levels.
